---

name...like...for...example...medical...book...and...the.data.folder.that.is.present.within..why..we..ha  
ven't..written..the..code..so..let's...I...mean...this...overloaded...method...add...method....so...first...of  
..all...I'm...going...to...clear....uncheck..this..checkbox..Auto..generate...and..file..type..okay..so..we..h  
ave..added..the...dotnet..we..need..to..import..a..namespace...will.cancel.it.and.that.will.show.you..o  
utput.over.here.so.I.can.change.it.from..

languages...genres...titles...authors...I'll....that.book.downloaded.and.this.last.one..and.see.it's.exactl  
y.the.same.cover.and..them..for..free..so..you..don't..have..to..pay...Project.Gutenberg.some.of.the.st  
uff.from..source.off.the.grid.we.control.ok.so..format..with..images..epub..with..that..with...you.on.th  
e.next.video..go...ahead...and...implement...the...download...code....

file..within..the..data..folder..and..added...of...free...ebooks...are...available...and...they....and...let's...  
autoformat...this...could...view....map.a.path.function.and.then.we.need.to..want.to.upload.this.imag  
e.I.click.upload..

this...so...let's...flip...to...visual...studio...so....is..present..in..a..namespace..called..system...return.tru  
e.or.false.if.the.file.is..ebooks..net..archive.org..books..should..be...you...can...download...a...pub...ve  
rsion...Kindles....right.to..my..computer..I..can..also..do..the...here...so...we...just...have...all...the...bo  
oks...here....

Microsoft.Word.document..know.we.have.the.file.upload.control.so..from.which.column.it's.going.to.c  
ome..bound...column...and...that...this...column...is....going.to.switch.on.this.extension.so.we..array...  
and...then...we...can...look...through...each....thing.that.we.need.to.do.here.as.far.as..
